LB 750, 910

ASSISTANT CLERK: (Record vote read. See page 1936 of the Legislative Journal.) The vote is 7 ayes, 10 nays on the motion to suspend the rules.

PRESIDENT ROBAK: The motion to suspend the rules fails. Mr. Clerk, anything further?

ASSISTANT CLERK: Next amendment is from Senator Lindsay. It's AM4343. This one is found in the Journal on page 1820, Senator.

PRESIDENT ROBAK: Chair recognizes Senator Lindsay to open on the amendment.

SENATOR LINDSAY: Madam President, members, this amendment would have, I guess, given me a shot at LB 910. I say would have, because I intend to withdraw it, but it would have given me a shot at the other side...at the other side of this issue, an issue which I don't think has been fairly treated but, nonetheless, I'm no meteorologist but I know which way the wind is blowing and I, because of that, I'm not going to go through the process and, because I want to get to the next amendment which is substantive and I guess which people have been talking about all session get a shot at it. So, with that, Madam President, I will withdraw AM4343.

PRESIDENT ROBAK: The amendment is withdrawn. Mr. Clerk, the next amendment, please.

ASSISTANT CLERK: Madam President, the next motion I have is offered by Senator Landis.

PRESIDENT ROBAK: Chair recognizes Senator Landis to open on his motion.

SENATOR LANDIS: Thank you, Madam President, members of the Legislature. This motion is a motion to suspend the rules and to vote on the advancement of LB 750. I ask this because I think one thing that John's wanted to do is to make a record for the federal courts and he's done that. He had a long stretch in there in which he talked about the three-tier system. I think that objective has been done. He's chastised us about our priority setting and I understand that. There will be a whole lot of other potential ideas that deserve time and attention. I
